01 · AT A GLANCE

Overview

Practice a live 1:1 Data Analytics interview with an expert covering SQL, Excel, statistics, visualisation and case questions, then get a detailed feedback report.

This mock interview simulates a real Data Analyst or Business Analyst interview. You face a domain expert on video who asks about SQL queries, Excel, statistics, dashboards, business case problems and your past projects, just like a hiring panel would.

It is useful for students, freshers and career switchers preparing for analyst roles or internships. After the session you receive an AI-assisted feedback report with ratings, strengths, areas to improve and clear next steps, so you know exactly what to practise next.

09 · QUESTIONS

Frequently Asked Questions

Q1 Do I need to know all the tools to book this interview?

No. Tell us which tools you know, such as SQL, Excel, Power BI or Python, and the expert will focus on those.

Q2 Will I have to write SQL or code during the session?

You may be asked to write or explain queries live, depending on the duration you choose. Longer sessions allow more hands-on practice.

Q3 Can I get my portfolio project reviewed?

Yes. Share your project details while booking and the expert can ask questions on it and comment on how you present your work.

Q4 Is this useful for freshers with no work experience?

Yes. The questions are matched to your level, so freshers are asked about coursework, projects and fundamentals rather than job experience.

Q5 What will the feedback report include?

A PDF with 1 to 5 ratings on each criterion, your strengths, areas to improve and next steps to follow.

Q6 How long should my session be?

A 30-minute session suits a quick check on one topic. Choose 1 to 3 hours if you want a full multi-round simulation.

Q7 How long can the interview be?

From 30 minutes to 3 hours, in 30-minute steps. You choose the duration when you apply; the price follows it.

Q8 How do I pick a time?

The booking form shows the free start times from our experts' weekly availability (in IST) for the duration you choose. Once you pay, the slot is yours - no one else can book it.

Q9 How is the price worked out?

Session fee per hour x your duration, plus any add-ons: flat add-ons cost the same for any duration, per-hour add-ons follow your duration.

Q10 **Can I use a coupon or iSure Coins?**

Yes. A coupon valid for mock interviews discounts the session fee (not the add-ons), and you can pay part or all of the rest with iSure Coins. If they cover everything, no online payment is needed.

Q11 **What do I need to share?**

Your objective for the interview (role, company type, what you want to practise) and, optionally, your resume as a PDF so the expert can tailor the questions.

Q12 **Can I cancel?**

You can cancel from My Mock Interviews until an expert is assigned and get a full refund (iSure Coins go back to your wallet). If you miss a confirmed session, it counts as used and is not refunded.

Q13 **Will I get an invoice?**

Yes - an invoice for every payment, downloadable from My Payments and from your mock interview page.
