09 · QUESTIONS

Frequently Asked Questions

Q1 Do I need to know deep learning for this interview?

Not necessarily. The focus is on core statistics, machine learning basics, Python and SQL. If your resume has deep learning projects, the expert may ask about them.

Q2 Will I have to write code during the session?

You may be asked to solve a short Python or SQL problem or explain your logic aloud. Keep your laptop ready in case a coding exercise is included.

Q3 Can I choose the level of the interview?

Yes. You can share whether you are a fresher, a switcher or have some experience, and the expert will adjust the difficulty and topics.

Q4 What if I have no work experience in data science?

That is fine. Academic projects, course work and personal projects are enough to discuss. The expert will judge your fundamentals and how clearly you think.

Q5 What will I get in the feedback report?

You get a PDF with 1-5 ratings for each criterion, your strengths, areas to improve and next steps to follow before your real interviews.

Q6 How long should I book the session for?

A 30-minute slot suits a quick concept check, while 1 to 3 hours allows coding, a project deep dive and a case round. Pick based on how complete a practice you want.

Q7 How long can the interview be?

From 30 minutes to 3 hours, in 30-minute steps. You choose the duration when you apply; the price follows it.

Q8 How do I pick a time?

The booking form shows the free start times from our experts' weekly availability (in IST) for the duration you choose. Once you pay, the slot is yours - no one else can book it.

Q9 **How is the price worked out?**

Session fee per hour x your duration, plus any add-ons: flat add-ons cost the same for any duration, per-hour add-ons follow your duration.

Q10 **Can I use a coupon or iSure Coins?**

Yes. A coupon valid for mock interviews discounts the session fee (not the add-ons), and you can pay part or all of the rest with iSure Coins. If they cover everything, no online payment is needed.

Q11 **What do I need to share?**

Your objective for the interview (role, company type, what you want to practise) and, optionally, your resume as a PDF so the expert can tailor the questions.

Q12 **Can I cancel?**

You can cancel from My Mock Interviews until an expert is assigned and get a full refund (iSure Coins go back to your wallet). If you miss a confirmed session, it counts as used and is not refunded.

Q13 **Will I get an invoice?**

Yes - an invoice for every payment, downloadable from My Payments and from your mock interview page.
