Overview

Practise a live 1:1 UI/UX design interview with an expert covering portfolio review, design process, case studies and usability thinking, then get a detailed feedback report.

It is useful for students, freshers, career switchers and junior designers preparing for internships or entry-level design roles. After the session you receive a feedback report with 1-5 ratings, strengths, areas to improve and clear next steps, so you know what to work on before your next interview.

09 · QUESTIONS

Frequently Asked Questions

Q1 Do I need a portfolio to book this interview?

A portfolio is strongly recommended because most of the session is built around it. If you have only course projects or practice work, you can still share those.

Q2 Will I get a design task during the interview?

Yes, you may get a short live exercise or case question. The expert focuses on your thinking and reasoning rather than a polished final design.

Q3 Can the interview be tailored to UI, UX or product design roles?

Yes. Tell us your target role when booking and the expert will adjust the balance between research, interaction design and visual design.

Q4 Which tools should I know?

Figma is the most common, but the interview is about your design thinking. You can use any tool you are comfortable with.

Q5 What will the feedback report include?

It includes 1-5 ratings for each criterion, your strengths, areas to improve and next steps you can act on before real interviews.

Q6 How long should I book for?

Thirty minutes suits a quick portfolio review, while one to two hours allows a full portfolio discussion plus a design challenge.

Q7 How long can the interview be?

From 30 minutes to 3 hours, in 30-minute steps. You choose the duration when you apply; the price follows it.

Q8 How do I pick a time?

The booking form shows the free start times from our experts' weekly availability (in IST) for the duration you choose. Once you pay, the slot is yours - no one else can book it.

Q9 **How is the price worked out?**

Session fee per hour x your duration, plus any add-ons: flat add-ons cost the same for any duration, per-hour add-ons follow your duration.

Q10 **Can I use a coupon or iSure Coins?**

Yes. A coupon valid for mock interviews discounts the session fee (not the add-ons), and you can pay part or all of the rest with iSure Coins. If they cover everything, no online payment is needed.

Q11 **What do I need to share?**

Your objective for the interview (role, company type, what you want to practise) and, optionally, your resume as a PDF so the expert can tailor the questions.

Q12 **Can I cancel?**

You can cancel from My Mock Interviews until an expert is assigned and get a full refund (iSure Coins go back to your wallet). If you miss a confirmed session, it counts as used and is not refunded.

Q13 **Will I get an invoice?**

Yes - an invoice for every payment, downloadable from My Payments and from your mock interview page.
